

11th February

Dear Resident

As you may be aware there is a current endeavour to purchase The Pheasant Inn in Ballinger so that it can be re-opened as a community-owned pub serving the needs of the local community.

There was a public meeting on the 20th January at the Ballinger War Memorial Hall at which the Ballinger Community Group presented compelling evidence that demonstrated the sustainability and the commercial viability of this project.

We are writing to you because as this is a project intended to benefit the wider local community it is very important for us to canvass opinion on what sort of pub you, the members of the local community, would like to see and what services you think the pub should provide if the community is successful in purchasing it.

We would be very grateful if you could spend 5 minutes completing the attached feedback form which can either be posted to PO Box 255, Great Missenden HP16 9SD, put in the post box in Ballinger War Memorial Hall or emailed to enquiries@ballinger.org.

Should you be interested in getting further involved in this project there is also attached to this communication an application form for the Pheasant Inn Common Interest Group (PICIG). Joining this Group will ensure that you are updated on all the developments and included in all the communications relevant to the project. This form can be returned in the same way outlined above for the feedback form.

If you have any further questions, please do not hesitate to get in touch with any member of the Committee.

Best regards

Ballinger Community Group
